Thank Your Mentor Day

January 26, 2012

Join millions of others in honoring an important mentor in your life — someone who showed you the ropes and helped you become who you are today.

Three ways to honor your mentor:

- ★ Use the attached card to contact your mentor to express your appreciation.
- ★ Pass it on by becoming a mentor to a young person in your community.
- ★ Write a tribute to your mentor for posting online.
